Great value, unique and not
crazy loud and overwhelming
- just some of the reasons we
have now had 2 parties at We
Rock the Spectrum!
- **Bridget**

To have the whole venue
to ourselves was such an
incredible experience.
I've never been so chilled out
at my own child's party!
To see all of the kids having a ball
in such a simple yet dynamic
space was amazing.
Thanks We Rock!
- **Jonnie**

Thank you for the best party we
have ever had for our daughter.
Your staff were so capable and
fun, nothing was too much
trouble. Everyone left feeling
relaxed and happy and for the
first time ever, our son with
special needs was included and
was not overwhelmed. What an
incredible place - all of our
guests have been raving!

Frequently Asked Questions

Why have a party at We Rock the Spectrum Kids Gym?

Our party packages are popular because of the fun yet gentle nature of our Gym. We only host one party at a time, meaning the environment is sensory safe and welcoming to kids of all ages and abilities. We aim to offer a boutique experience rather than a mass produced party feel. Feedback from guests and families is always excellent. Both of our party options have exclusive use of the facility to ensure a calm and fun celebration. The difference between the two packages is around the number of kids invited and the number of staff onsite to assist with your party.

Are the parties just for kids with Special Needs?

Definitely not! Our gym is for kids of all abilities and all children benefit from the fun, quality equipment and safe, relaxed vibe of our space - not to mention how nice and chilled it is for parents! We regularly host mainstream parties and private playdates for families who want a clean, comfortable, boutique experience and the feedback is always amazing.

How long are the parties for?

Our party packages are for 2.5 Hours each. We encourage you to use the first 15 minutes of the time slot to be used for party set up, and the final 15 minutes for pack up. We ask that the room is clear and guests are leaving the venue at the conclusion of your 2 hour party timeslot. Alternatively, Families are more than welcome to come in and set up in the days prior to the party, give us a call to discuss these options!

You are more than welcome to bring any food or soft drinks that you like. You are able to store food in our fridge, or heat them up in our microwave or oven.
